

Invitation

Dear colleagues,

The China-Korea-Japan Pediatric Heart Forum has been successfully held in three countries for decades, bringing together experts from across Asia Pacific region to advance pediatric cardiovascular care. The Children's Hospital of Fudan University has the honor of hosting the conference this year.

On behalf of the Organizing Committee of the **2025 China-Korea-Japan Pediatric Heart Forum**, we are pleased to announce that the forum will take place from **Friday , May 30th to Sunday, June 1st, 2025 in Xiamen, China**. This event will be jointly organized by the Children's Hospital of Fudan University and Xiamen Children's Hospital. This forum is sponsored by The Chinese Society of Pediatric Cardiology and The Chinese Society of Pediatric Cardiothoracic Surgery. Renowned specialists from China, Korea, and Japan will deliver insightful lectures on the early detection, diagnosis and management of critical pediatric cardiovascular diseases. Additionally, colleagues from pediatric cardiology and cardiac surgery and the related specialties will have the opportunity to engage in discussions and share their research achievement through oral presentations and free paper sessions.

We warmly invite you to join us in Xiamen. Your participation and contributions will be invaluable in making this symposium a resounding success.

We are looking forward to seeing you in Xiamen, China!

Sincerely,

Organizing Committee
